Dear Connie:

Thank you for your telephone call of last Saturday to let me know of Item No. 16, "The Top-Secret Label," in the April issue of the Soviet weekly, *NEW TIMES*. The Communist writer, J. Yudin, as you have noted, put together various items taken from the American and British press to do a smear story on CIA and the rest of the intelligence community.

This is the type of article that has appeared from time to time in *THE WORKER*, published in New York City, as well as in the Soviet Press and is usually picked up in whole or part by the Red Chinese publications.

Again, thanks for the assist. Kind personal regards.

Sincerely,
